

Medilodge of Okemos Activities Newsletter!

September 2019

This month focuses on the end of summer and the commencement of fall. We'll be watching lots of football and partaking in some cider sipping!

Since September is back to school month for all the kiddos, we'll be doing some of our own fun, back to school activities; like a weekly spelling bee each Tuesday afternoon. Each Monday, Ross and his sweet therapy dog will be paying us a visit.

Our friends The Guitar Ladies, Jay, Marty and Louise the Caricaturist will be joining us too! There will be an apple pie social, a trip to Uncle John's Cider Mill and a few other fun, fall outings.

Welcome back Creative Cooking and count on Wednesday Morning Fitness with Kelly.

We'll be doing some storytelling and lots of fun, fall crafts too!
